RIVERHOUSE APARTMENTS – AWARD WINNING PROJECT

October 2013 – Springfield, VA

On October 3rd, RiverHouse Apartments came home a winner of the Great American Living Awards (GALA) program, <http://www.greatamericanlivingawards.com/winners>. This apartment complex is owned by Vornado / Charles E. Smith, designed by Hartman Design Group with the architect SBK and the General Contractor being ADI Construction. Working as a team to complete this successful project has led to the awards of: Best Design and Architecture for a Multi-Family Conversion and Best Interior Merchandising for a Multi-Family Conversion for a High Rise (5 stories or above). We are extremely proud of this team and want to congratulate everyone involved in this continuous project.

ABOUT RIVERHOUSE APARTMENTS – RiverHouse is owned and managed by Vornado/Charles E. Smith. With over 2400 apartment homes and over 90 office and retail buildings in the Washington area, they are the largest owner/manager in the Washington area, and known for creating some of Washington's most innovative properties.

ABOUT ADI CONSTRUCTION - ADI Construction is a full-service provider of general contracting services. We are ranked among the top 20 Interior Construction Firms and top 100 Private Companies by *Washington Business Journal*. Our team brings decades of industry leadership and experience in the following types of construction: Tenant, Base Building, Healthcare, Veterinary, Capital Improvement, Retail, SCIF and much more. As members of the U.S. Green Building Council, ADI remains committed to sustainable construction. ADI's entire management staff, including superintendents, receives LEED training. All of ADI's LEED projects have met or exceeded their certification targets. Our office is located in Springfield, Virginia.
